

Software Registration Instructions

If Not Registering Wind Image™ For ArcPad® Start at step 6

1. Connect your mobile device using Microsoft ActiveSync®. Once connected minimize ActiveSync® and continue to the next step.
2. On your desktop computer click on start button and navigate to the Wind Image™ program folder.

3. Select Register Wind Image™ from the list of available programs.

4. Verify your mobile device is connected via ActiveSync® then click on the Register button.

5. Once you click on the register button the registration application is going to search your mobile device for the Wind Image™ key file. Once it has located the key file it will automatically open your web browser and take you to the on line registration system. Depending on the device this may take several minutes.
 - * no other information other than the Wind Image™ key is up loaded to the registration server.
 - ** May need to remove SD card if experiencing issues locating Wind Image™ key file.

6. Once you arrive at the Wind Image™ registration page you will need to login to the system with either an existing login account or by creating a new user name and password.
- Login will be used if you need to re-download license files at a later date. It also saves your information for future registrations.

The screenshot shows the 'Login' page. At the top left is a blue link labeled 'Login'. Below it is the heading 'Login'. A sub-heading reads: 'You need to login (Click Login link above) or complete below to create an account.' There are two input fields: 'Login:' and 'Password:'. Below the password field is a 'Next' button. Two callout boxes are present: one on the right pointing to the 'Login' link with the text 'Click here to login if you already have an account', and another on the right pointing to the 'Login:' and 'Password:' fields with the text 'Enter your user name and password here if you do not have an account'.

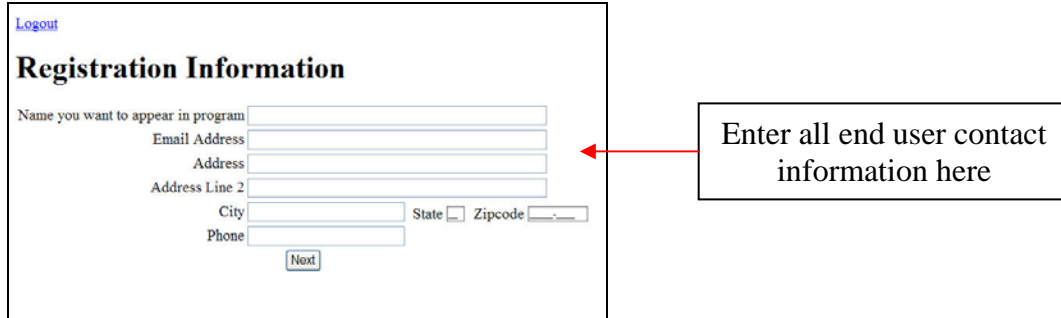

7. Next you will enter you CD key (If you have already purchased a License) or simply click next to select the license(s) you wish to purchase.

The screenshot shows the 'Register Wind Image' page. At the top left is a blue link labeled 'Logout'. Below it is the heading 'Register Wind Image'. A sub-heading reads: 'If you have already bought the program and have a CD Key, enter it below to Register.' There is a single input field for the CD key and a 'Next' button. A callout box on the right points to the input field with the text 'Enter your CD key Here'.

The screenshot shows the 'Purchase Wind Image' page. At the top left is a blue link labeled 'Logout'. Below it is the heading 'Purchase Wind Image'. The page contains a table with two columns: 'Product' and 'Quantity'. There are four rows of products, each with a quantity input field. A 'Next' button is at the bottom. A callout box on the right points to the quantity input fields with the text 'If purchasing a new license select the quantity and type here'.

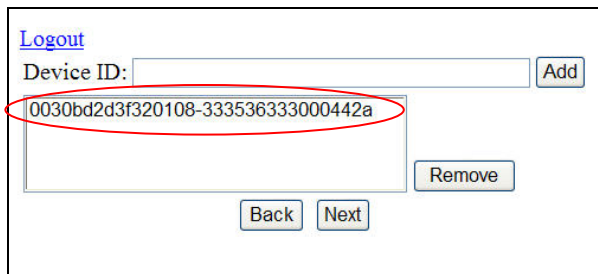

Product	Quantity

8. Fill in all end user information then click the next button.

The image shows a web form titled "Registration Information" with a "Logout" link at the top left. The form contains the following fields: "Name you want to appear in program", "Email Address", "Address", "Address Line 2", "City", "State" (a dropdown menu), "Zipcode", and "Phone". A "Next" button is located at the bottom center of the form. To the right of the form is a rectangular callout box with a red arrow pointing to the "Email Address" field. The callout box contains the text "Enter all end user contact information here".

9. If you are registering Wind Image™ for ArcPad® you will now be looking at the device ID page. Since we started this process by locating your device ID it should already be entered into the form.
- If you are not registering Wind Image™ for ArcPad® continue to step 11.

The image shows a web form for entering a device ID. It features a "Logout" link at the top left. The form has a "Device ID:" label followed by a text input field and an "Add" button. Below the input field, the device ID "0030bd2d3f320108-333536333000442a" is displayed and circled in red. To the right of the ID is a "Remove" button. At the bottom of the form are "Back" and "Next" buttons.

10. Confirm your device ID is shown and click next.
11. If you have entered a CD key your registration is complete. You will receive your license files by email (the email address entered during registration) or you can download them from the final registration page.
12. If you are purchasing a new license enter all credit card information. Once your order is processed you will receive your license files by email.
13. Instructions for installing your licensed registration key will be supplied in the email containing the licensed registration key.
14. If you have problems registering email sales@windenvironmental.com for assistance.
